Notice of Annual General Meeting

Notice of the Annual General Meeting of Luceco plc (the "Company"), to be held at the Company's registered office at Building E Stafford Park 1, Stafford Park, Telford, Shropshire, TF3 3BD at 12:00 noon on Thursday 4 June 2020, is set out in Part II of this circular.

Under the UK Government's current prohibition on non-essential travel and public gatherings, it will not be possible for shareholders to attend the AGM in person. We therefore strongly encourage shareholders to vote on all resolutions by completing an online proxy appointment form appointing the chairman of the meeting as your proxy as any shareholders attempting to gain entry to the meeting will be turned away.

Please complete your proxy vote online at www.signalshares.com by 12:00 noon on 2 June 2020 (or, in the case of an adjournment, not later than 48 hours before the time fixed for the holding of the adjourned meeting) or alternatively, if you hold ordinary shares in uncertificated form, you may also appoint a proxy by completing and transmitting a CREST proxy instruction in accordance with the procedures set out in the CREST Manual ensuring that it is received by Link Asset Services no later than 12:00 noon on 2 June 2020 (or, in the case of an adjournment, not later than 48 hours before the time fixed for the holding of the adjourned meeting). In the event that the coronavirus (COVID-19) situation and the UK Government's guidance change and the Company informs shareholders via an announcement on its website that shareholders will be able to attend the AGM in person, having submitted a proxy vote online or used the CREST electronic proxy appointment service will not prevent you from attending, speaking and voting at the Annual General Meeting, or at any adjournment of such meeting, in person should you wish to do so.

The Board will keep the situation under review and shareholders should therefore continue to monitor the Company's website and announcements for any updates.

To the holders of shares in Luceco plc

Notice of Annual General Meeting 2020

Dear Shareholder

Details of Annual General Meeting

I am pleased to be writing to you with details of our Annual General Meeting (“AGM”), which we are holding at the Company’s registered office, Building E Stafford Park 1, Stafford Park, Telford, Shropshire, TF3 3BD on Thursday 4 June 2020 at 12:00 noon.

The formal notice of AGM is set out in Part II on pages 3 to 5 of this document (the “Notice”). A copy of the Notice and the Company’s Annual Report And Accounts for the year ended 31 December 2019 can be viewed on our website at www.lucecoplc.com. An explanation of the business to be considered at the AGM appears in Part III on pages 9 to 12 of this document.

The Board appreciates that the AGM is one of the key ways we communicate with shareholders. However, under the UK Government’s current guidance on social distancing and prohibiting gatherings it will not be possible for shareholders to attend this year’s AGM in person. The AGM will only consider the formal business of the meeting and the Board will explore alternative means of maintaining shareholder engagement outside of the AGM.

The Board continues to monitor the situation surrounding COVID-19 and the advice from the Department of Health. In the event that UK Government guidance changes prior to the meeting such that shareholders are able to attend, the Company will update shareholders through an announcement to the London Stock Exchange and also on the Company’s website. Please do not make your way to the AGM unless such an announcement has been made by the Company, as you will not be allowed entry.

The Board would like to thank all shareholders for their co-operation and understanding in these difficult times and very much regrets the need to restrict attendance.

Recommendation

The Board of Directors of the Company strongly encourages shareholders to exercise their votes in respect of all resolutions to be proposed at the AGM by completing an online proxy form appointing the chairman of the meeting as your proxy.

The Board considers that all the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole and unanimously recommends that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully

GILES BRAND

Chairman

such authority to expire at the conclusion of the AGM of the Company to be held in 2021 or, if earlier, at the close of business on 30 June 2021, but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

Voting

1. You can vote either:
 - (a) by logging on to www.signalshares.com and following the instructions;
 - (b) by requesting a hard copy form of proxy directly from the registrars, Link Asset Services, on Tel: 0371 664 0300. Calls cost 12p per minute plus your phone company's access charge. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales; or
 - (c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

Proxy appointment

2. A shareholder who is entitled to attend, speak and vote at the meeting is entitled to appoint one or more proxies to attend, speak and vote on his/her behalf. Proxies need not be shareholders. If more than one proxy is appointed, each proxy must be appointed to exercise the rights attached to different shares. A proxy will have the same number of votes on a show of hands as if the shareholder who appointed the proxy was at the meeting.
3. If you appoint the Chairman of the meeting as your proxy, this will ensure your votes are cast in accordance with your wishes given that the UK Government's current restrictions mean that neither you nor any other person you might appoint as your proxy will be able to attend the meeting in person. Appointing a proxy in this way will not prevent you from attending and voting at the AGM in person should the situation and the applicable restrictions change such that you are permitted to, and you subsequently wish to, do so.
4. To appoint a proxy and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be either:
 - submitted electronically via Link Asset Services portal, www.signalshares.com; or
 - lodged using the CREST Proxy Voting Service in accordance with note 11 below, in each case so as to be received no later than 12:00 noon on 2 June 2020.

Nominated persons

5. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Act ("nominated persons"). Nominated persons may have a right under an agreement with the shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

Information about shares and voting

6. The total number of issued ordinary shares in the Company on 14 April 2020, being the latest practicable date before the publication of this Notice, was 160,800,000. Each ordinary share carries the right to vote at a general meeting of the Company and, therefore, the total number of votes exercisable as at 14 April 2020 was 160,800,000.

Right to attend and vote

7. Entitlement to attend and vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members at close of business on 2 June 2020 or, if the meeting is adjourned, 48 hours before the time fixed for the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded.

CREST members

8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual (available via www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members (and those CREST members who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by Link Market Services (ID RA10) by the latest time(s) for receipt of proxy appointments specified in note 4 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to him by other means.
10. CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his/ her CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of proxy by joint holders

12. In the case of joint holders, where more than one of the joint holders purports to appoint one or more proxies, only the purported appointment submitted by the most senior holder will be accepted. Seniority shall be determined by the order in which the names of the joint holders stand in the Company's register of members in respect of the joint holding.

Corporate representatives

13. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.

Beneficial holders

14. If you hold your shares through a nominee and wish to vote on the AGM resolutions, you will need to contact your nominee.

Audit concerns

15. Shareholders should note that, under Section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the Act. Where the Company is required to place a statement on a website under Section 527 of the Act, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM for the relevant financial year includes any statement that the Company has been required under Section 527 of the Act to publish on a website.

Notes continued

Questions

16. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered. Given the current prohibition on attendance at this year's AGM, shareholders should submit any questions no later than 2 June 2020 via the Company Secretary at luceco@linkgroup.co.uk. The Directors will consider all questions and, if appropriate, address them at the AGM or provide a written response.

Website information

17. A copy of this notice, and other information required by section 311A of the Act, can be found at www.lucecoplc.com.

Voting by poll

18. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. This means that shareholders and proxies will be asked to complete a poll card if it becomes possible to do so and attendance in person is permitted. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and announced to the London Stock Exchange once the votes have been counted and verified.

Use of electronic address

19. Members may not use any electronic address provided in either this notice of meeting or any related documents to communicate with the Company for any purposes other than those expressly stated.

Documents available for inspection

20. The following documents will be available for inspection during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) at the registered office of the Company at Building E Stafford Park 1, Stafford Park, Telford, Shropshire, TF3 3BD up to and including the date of the AGM and at the location of the AGM from 15 minutes prior to the opening of the AGM until the close of the AGM:
- (a) copies of the Executive Directors' service contracts; and
 - (b) copies of letters of appointment of the Non-Executive Directors.

Part III

Explanatory notes to the Notice of Annual General Meeting

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 13 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 14 to 17 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1: Report and Accounts

The Directors must present to the shareholders at the AGM the audited accounts of the Company and the reports of the Directors and Auditor for the year ended 31 December 2019.

Resolution 2: Directors' Remuneration Report

The Directors must put the Directors' Remuneration Report to a vote of the shareholders. The vote is only advisory however and the Directors' entitlement to remuneration is not conditional on the resolution being passed.

Resolution 3: Directors' Remuneration Policy

Resolution 3 seeks shareholder approval of the Directors' Remuneration Policy (the "Policy"), which is set out in full on pages 71 to 79 of the Annual Report. If approved by shareholders, the new Policy will be effective from the date of the AGM and will remain valid for up to three financial years without requiring further shareholder approval. However, should any changes be proposed to the Policy within those three years, shareholders will be asked to approve the revised Policy by way of a binding vote. Once the Policy is approved, all payments to a current or prospective director or a payment for loss of office to a current or past director will need to be made in accordance with the Policy or be approved by a shareholder vote.

Resolutions 4 - 9: Re-election of Directors

In accordance with the Company's articles of association, all Directors will retire at each AGM. This year, all Directors are standing for re-election with the exception of John Barton. Based on the Board Evaluation carried out during 2019, it is considered that each director continues to be effective and their contribution supports the long-term sustainable success of the Company. The skills and experience of each director, which can be found below and on pages 56 and 57 of the Company's 2019 Annual Report, demonstrate why their contribution is, and continues to be, important to the Company's long-term sustainable success.

Giles Brand - Giles is the founder and Managing Partner of EPIC Private Equity LLP, an independent investment manager, advisory and placement agent and administrator. EPIC Private Equity LLP is the investment adviser to EPIC Investments LLP, whose affiliates are the Company's largest shareholder. Since 2001, Giles has led over 30 buyout, turnaround, distressed and growth capital transactions. Many of these transactions have made multiple bolt-on acquisitions in the UK and overseas.

Caroline Brown - Caroline joined the Group as an independent Non-Executive Director and Chair of the Audit Committee on 27 September 2016. Caroline has managed divisions of FTSE 100 groups and AIM businesses with international industrial and technology operations and has worked as a corporate finance adviser to governments and corporations with Merrill Lynch, UBS and HSBC. She has chaired audit committees of several other listed companies and is a Fellow of the Chartered Institute of Management Accountants. Caroline holds a first-class degree and PhD in Natural Sciences from the University of Cambridge and a Master of Business Administration from the Cass Business School, University of London.

John Hornby - John was appointed Chief Executive Officer of the Group in 2005 having originally joined Luceco in 1997. John led the original management buyout of Luceco from a listed plc in 2000 and led the secondary buyout with EPIC Private Equity LLP in 2005. Since then, John has led the development of the Group's Chinese operations. John began his career with Knox D'Arcy Management Consultants following his graduation from The University of Oxford with a degree in Economics.

Will Hoy - Will joined the Group as an independent Non-Executive Director on 1 September 2019. Will has held a number of senior finance roles in a career with GKN that has spanned over 20 years, including nine years as Head of Corporate Finance in which he oversaw GKN's M&A activities. Prior to joining GKN, Will qualified as a Chartered Accountant at KPMG and worked in its Corporate Finance department.

Tim Surridge - Tim joined the Group as an independent Non-Executive Director on 27 September 2016. Previously, Tim has served as Group Chief Financial Officer at Olive Group Capital Limited, a Dubai-based security solution provider, and as Chief Financial Officer and an Executive Director at Dangote Cement plc, Nigeria's largest cement producer. Tim joined KPMG LLP UK in 1991 and became a partner in the firm's Transactional Services business in 2006. Tim has considerable accounting and advisory experience including stock market listings, reverse takeovers, management buyouts and acquisitions. Tim is a qualified Chartered Accountant.

Explanatory notes to the Notice of Annual General Meeting

Resolutions 4 - 9: Re-election of Directors continued

Matt Webb – Matt joined the Group as Chief Financial Officer on 19 February 2018. Matt joined from FTSE 100 listed multinational building materials distribution company Ferguson plc, where he most recently spent five years as Finance Director for its market-leading US Blended Branches business, based in the USA. Prior to that, Matt held other senior Group roles at Ferguson, including Group Financial Controller and Strategic Planning Manager. Matt qualified as a Chartered Accountant with KPMG LLP and holds a degree in Engineering Science from The University of Oxford.

In compliance with UKLA Listing Rules relating to controlling shareholders, the re-election of the independent Non-Executive Directors must be approved by a majority of both:

1. the shareholders of the Company as a whole; and
2. the independent shareholders of the Company (that is, the shareholders other than the Luceco plc Concert Party).

For the purposes of the UKLA Listing Rules, the Luceco plc Concert Party (being EPIC Investments LLP, Giles Brand and John Hornby) is a controlling shareholder as a result of it holding 95,398,714 shares (44,064,372 shares, 9,466,919 shares and 32,400,504 shares respectively).

Resolutions 5, 7 and 8 relate to the re-election of Caroline Brown, Will Hoy and Tim Surrige who are the Directors seeking re-election that the Board has determined are independent Non-Executive Directors for the purposes of the UK Corporate Governance Code. These resolutions are proposed as ordinary resolutions and can be voted on by all shareholders of the Company. However, in addition to this, the votes cast by independent shareholders will be counted separately in order to assess whether the second tier of the test is satisfied.

In accordance with the UKLA Listing Rules, if any of resolutions 5, 7 and 8 are not approved by a majority of both the shareholders of the Company as a whole and the independent shareholders of the Company, the failed resolution may be put to shareholders of the Company, at a general meeting, which must be held between 90 and 120 days from the date of the original vote (being 4 June 2020).

In such circumstances, any independent Non-Executive Director(s) whose appointment has not been approved by both the shareholders of the Company as a whole and the independent shareholders of the Company will be treated as having been re-elected from the date of the original vote until either the date when they are re-elected, being the date of the subsequent general meeting, or the date of any announcement by the Board that the Non-Executive Director(s) does not intend to stand for re-election.

If a subsequent general meeting does not take place, the appointment will be treated as ceasing 120 days from the date of the original vote. If a subsequent general meeting does take place and the further resolution is approved, the Non-Executive Director(s) will be treated as having been re-elected until the following Annual General Meeting of the Company. However, if at a subsequent general meeting the further resolution fails, the appointment of the Non-Executive Director(s) will cease on that date.

The UKLA Listing Rules require companies with a controlling shareholder to make the following additional disclosures about each independent director's relationships, independence, effectiveness and appointments:

Relationships and transactions: The Company has received confirmation from each of the independent Non-Executive Directors that, other than their respective letters of appointment as a director by the Company, there are no existing or previous relationships, transactions or arrangements between any of the independent Non-Executive Directors and the Company, its Directors, or the Luceco plc Concert Party.

Effectiveness: The Board believes that each of the independent Non-Executive Directors continues to demonstrate commitment to their role and is an effective member of the Board.

Independence: Each year the Board performance evaluation considers the independence of each member of the Board. The Board believes that each independent Non-Executive Director remains independent in character and judgement, and that there are no relationships or circumstances that are likely to affect, or appear to affect, their judgement.

Selection: As disclosed in the Nomination Committee report within the Annual Report, the Nomination Committee aims to ensure that the Board remains balanced, knowledgeable and diverse in order to meet the needs of the Company. The Nomination Committee draws candidates from its internal and external network, taking into account recommendations from external recruitment consultants where appropriate.

Resolutions 10 and 11: Reappointment of Auditor and Auditor's Remuneration

The Board, on the recommendation of the Audit Committee, recommends the reappointment of KPMG LLP and KPMG LLP has agreed to continue as the Company's Auditor until the conclusion of the next AGM at which the accounts are laid before the Company. Resolution 10 proposes the reappointment of KPMG LLP and Resolution 11 is a separate resolution which authorises the Audit Committee to determine the Auditor's remuneration.

Resolution 12: Political Donations and Political Expenditure

Part 14 of the Act requires companies to obtain shareholders' authority for donations to registered political parties and other political organisations totalling more than £5,000 in any twelve-month period, and for any political expenditure, subject to limited exceptions. The definition of donation in this context is very wide and extends to bodies such as those concerned with policy review, law reform and the representation of the business community. It could include special interest groups which the Company and its subsidiaries might wish to support, even though those activities are not designed to support or influence support for a particular party.

It remains the policy of the Company not to make political donations or incur political expenditure as those expressions are normally understood. The Directors consider, however, that it is in the best interests of shareholders for the Company to participate in public debate and opinion-forming on matters which affect its business. To avoid inadvertent infringement of the Act, the Directors are seeking shareholders' authority for the Company and its UK subsidiaries to make political donations and to incur political expenditure in case any of the Company's normal activities are caught by the Act for the period from the date of the AGM to the conclusion of the AGM of the Company to be held in 2021 or, if earlier, at the close of business on 30 June 2021, up to a maximum aggregate amount of £100,000.

Resolution 13: Authority to Allot Shares

The purpose of Resolution 13 is to give the Directors authority to allot shares in place of the existing authority, approved at the 2019 AGM of the Company, which expires at the conclusion of the 2020 AGM.

The authority in paragraph (a) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to an aggregate nominal value of £26,800, which is equivalent to approximately one third (33.33 per cent) of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 14 April 2020, the latest practicable date prior to publication of this Notice.

The authority in paragraph (b) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares only in connection with a fully pre-emptive rights issue up to a nominal value of £53,600, which is equivalent to approximately two thirds (66.67 per cent) of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 14 April 2020, the latest practicable date prior to publication of this Notice (such amount to be reduced by the amount of any relevant securities issued by the authority conferred by paragraph (a) of Resolution 13). This is in line with the Investment Association's Share Capital Management Guidelines issued in July 2016 (the "Guidelines").

At 14 April 2020, the Company did not hold any shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares other than in connection with employee share and incentive plans. The Directors consider it desirable to have the maximum flexibility permitted by the Guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

The authorities sought in paragraphs (a) and (b) of Resolution 13 are without prejudice to previous allotments made under such existing authorities.

If the resolution is passed, the authorities in paragraphs (a) and (b) will expire at the conclusion of the AGM of the Company to be held in 2021 or, if earlier, at the close of business on 30 June 2021.

Resolutions 14 and 15: Disapplication of Pre-emption Rights

The purpose of Resolution 14 is to give the Directors the power to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings. The power granted at the 2019 AGM is due to expire at this year's AGM. Accordingly, Resolution 14 will be proposed as a special resolution to grant such a power. Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £4,020 (being approximately 5% of the Company's issued ordinary share capital as at 14 April 2020, the latest practicable date prior to publication of this Notice). If given, this power will expire at the conclusion of the AGM of the Company to be held in 2021 or, if earlier, at the close of business on 30 June 2021.

The figure of 5% reflects the Guidelines. The Board will have due regard to the Guidelines and the Statement of Principles on Disapplying Pre-emption Rights published by the Pre-emption Group (the "Principles") in relation to any exercise of this power, in particular they do not intend to allot shares for cash on a non-pre-emptive basis pursuant to this power in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company (excluding any treasury shares) in any rolling three-year period without prior consultation with shareholders.

Part III continued

Explanatory notes to the Notice of Annual General Meeting

Resolutions 14 and 15: Disapplication of Pre-emption Rights continued

Resolution 15 gives the Directors additional power, in certain limited circumstances, to allot equity securities for cash without first being required to offer such shares to the existing shareholders in proportion to their existing shareholdings. The disapplication of pre-emption rights in respect of a further 5% of the Company's issued share capital, in addition to the authority proposed to be granted pursuant to Resolution 14, reflects the Guidelines and the Principles. The power will be limited to the allotment of equity securities for cash up to an aggregate nominal value of £4,020 (being 5% of the Company's issued ordinary share capital as at 14 April 2020, the latest practicable date prior to publication of this Notice) provided that the authority can only be used in connection with the financing or refinancing of an acquisition or specified capital investment (within the meaning of the Principles), and which is announced contemporaneously with the allotment or has taken place in the preceding six month period and is disclosed in the announcement of the allotment. The Directors will have due regard to the Guidelines and the Principles in relation to any exercise of this power. The authority will expire at the conclusion of the AGM of the Company to be held in 2021 or, if earlier, at the close of business on 30 June 2021.

Resolution 16: To approve the market purchase of the Company's own shares

The Directors intend to exercise this right only when, in light of market conditions prevailing at the time, they are satisfied that any purchase will increase the earnings per share of the ordinary share capital in issue after the purchase and, accordingly, that the purchase is in the interests of shareholders. The Directors will also give careful consideration to gearing levels of the Company and its general financial position. The purchase price would be paid out of distributable profits.

The Act permits certain listed companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the Company. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under the Company's employee share schemes.

Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

If the Directors exercise the authority conferred by Resolution 16, they may consider holding those shares in treasury, rather than cancelling them. The Directors believe that holding shares in treasury would provide the Company with greater flexibility in the management of its share capital. The Directors will also consider using the treasury shares to satisfy share options/awards under the Company's employees' share schemes.

The maximum number of shares which may be purchased under the proposed authority will be 16,080,000 ordinary shares representing approximately 10% of the issued ordinary share capital of the Company at 14 April 2020 (being the latest practicable date prior to the publication of this Notice). The price paid for ordinary shares will not be less than the nominal value. The price paid will not be more than the higher of 5% above the average of the middle-market quotation of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days preceding the day on which the shares are purchased and an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out.

As at 14 April 2020 (being the latest practicable date prior to the publication of this Notice), the Company did not hold any ordinary shares in treasury and there were no warrants over the Company's ordinary shares outstanding. As at 14 April 2020 (being the latest practicable date prior to the publication of this Notice), there were 4,790,293 options to subscribe over the Company's ordinary shares outstanding. The proportion of issued share capital that they represented at that time was 2.98% and the proportion of issued share capital that they will represent if the full authority to purchase shares (existing and being sought) is used is 3.72%.

Resolution 16 will be proposed as a special resolution to provide the Company with the necessary authority to purchase its ordinary shares. If the resolution is passed, the authority will expire at the conclusion of the AGM of the Company to be held in 2021 or, if earlier, at the close of business on 30 June 2021, unless renewed before that time.

Resolution 17: Notice of general meetings other than Annual General Meetings

Under the Act, the notice period required for all general meetings of the Company is 21 clear days. AGMs will always be held on at least 21 clear days' notice but shareholders can approve a shorter notice period for other general meetings. Resolution 17, if passed, authorises the calling of general meetings other than an AGM on not less than 14 clear days' notice, and will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The flexibility offered by this resolution will be used where, taking into account the circumstances and noting the recommendations of the UK Corporate Governance Code, the Directors consider this appropriate in relation to the business to be considered at the meeting and in the interests of the Company and shareholders as a whole.
